Jays Sizzle In Summer Sun

Even though the students were dismissed from school and away from the building during most of June, July and August, the Blue Jay spirit prevailed. On Friday, September 29 Donna Hirn became the 23rd Queen to reign over the Homecoming festivities. She had also been an attendant as a Junior. The Jays put up a tough fight for their Queen but finally succumbed to the Ottawa Glandorf Titans by a score of 22-18.

Festival Hits

Unbelievable \$83,000!!

The 40th annual festival was a grand success due to the voluntary service of the students and adults of our community. More dinners were served than last year with a total coming to 6,063. The diners were enjoyed by many as were the festivities in the gym. The diners consumed 3,547 lbs. of chicken and 2,133 lbs. of beef. The golden wheel received 950 spins, many of those by Father Metzger who was also a big help again this year. The total amount grossed from the childrens festival and Saturday and Sunday came to \$83,230.05, also exceeding last year. The total income before expenses totaled \$106,000! Quite a feat considering the population of Delphos is less than 8,000.

1) Jill Swick and Joan McDonough are taking a break from decorating. 2) Working in the Golden Wheel was more fun than work for Dave Noonan and Ben Neumeier. 3) Spending their money for a good cause was no trouble for the large crowd at the 1978 festival. 4) Tim Kroeger and Dan Hale anxiously wait for someone to buy something.

Happy Holidays

Pie In The Eye

A new and fun idea to raise funds for the yearbook was the Pie-in-the-Eye contest. 20 students were nominated and money was put in the jars of those who people wanted to see get a pie. The top 10 students and 3 teachers then got a pie thrown in their face as students cheered at the end of Service Day. Nearly \$250 was raised.

"We've Got Tonight" was the theme for the 1978-1979 Junior-Senior Prom. There were 111 couples attending this year which provided for a big crowd. The decorations, with colors of light blue, mint green and white were put together by the hard-working Junior class. An outdoor garden was a romantic setting with the drifting tones of STJ echoing through the night. Couples occasionally paused to admire the flowing fountains and fill their plates with the delicious food provided by the parents. It is agreed that May 19 is a night that will always be remembered.

Preseason optimism ran high for the 1978-79 edition of the Blue-jay football squad. And not without reason, for several capable replacements had been found for the openings formed due to graduation, in addition to key players returning from the previous year's team which finished the year second in the WBL with a 6-4 record.

As the season progressed; however, the high goals the gridders had set for themselves were hampered by the persistence of untimely injuries, which prevented them from putting together a consistent winning combination. In this sense, the season had to be considered a disappointment.

In another way, the players and loyal Blue-jay fans had reason to take pride in themselves and their football team. This sense of pride could be drawn from the players' response to adversity thrown before them throughout the year. Through it all, the team never lost their determination to win as could be seen in the come from behind, 32-28 victory over Defiance in the last game of the season. This produced a final record of 2-8, but more importantly, it gave the seniors a victory in their last game for St. John's and hopefully started thoughts of good things to come next year.

Expectations for success in years to come were given added fuel by the reserves fine 6-2-1 record. Led by Coach **Ralph Ricker**, the team swept to an unbeaten string of 6 games in closing out the season.

Keying this strength, was the balanced power of both

the offensive and defensive units, as each could rise to the occasion when a situation in a particular game called for them to do so. This was best evidenced in the O-G game, in which the offense exploded for 35 points, and a 35-14 win, and in the other extreme, during the Elida game, in which the

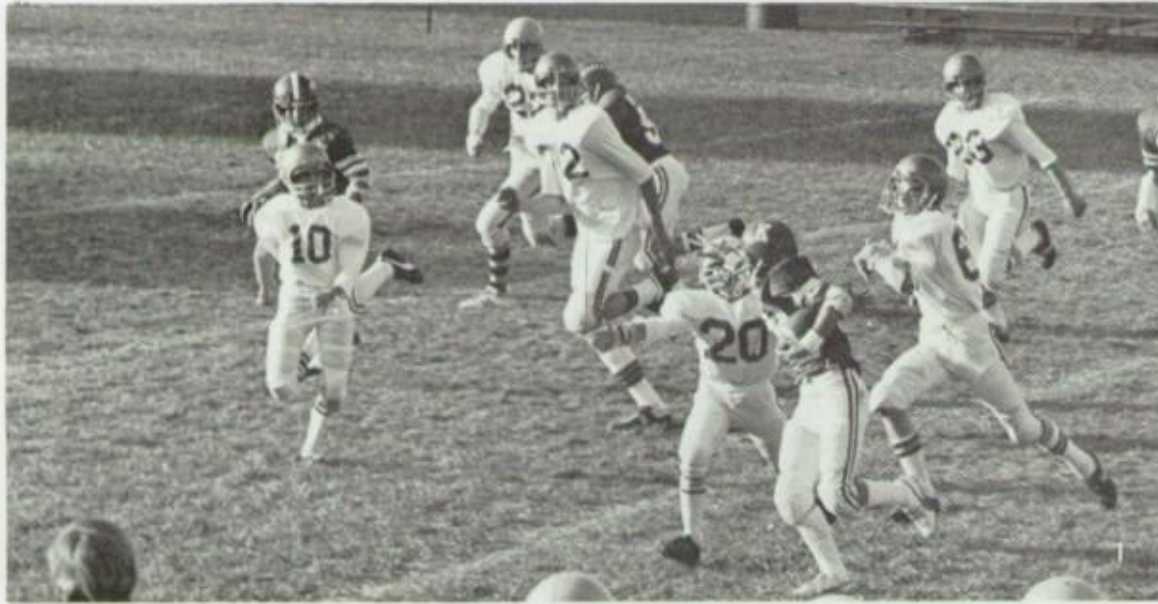

defense recorded a shutout, and scored the first touchdown, which proved to be the winner, in a 14-0 victory.

Topnotch play such as this mirrors excellent potential for standout performances at the varsity level in oncoming campaigns.

Inconsistency Plagues Frosh

Inconsistency proved to be the thorn in the side of the 1978 Freshman team, leading them to a final record of 2-5. The two victories being over the Cougars of Van Wert and the Wildcats of Bath.

Inconsistency is something which can be cured; however, and Coach **Huysman** feels the 1978 Frosh have the physical ability to make major contributions to future Blue Jay football squads.

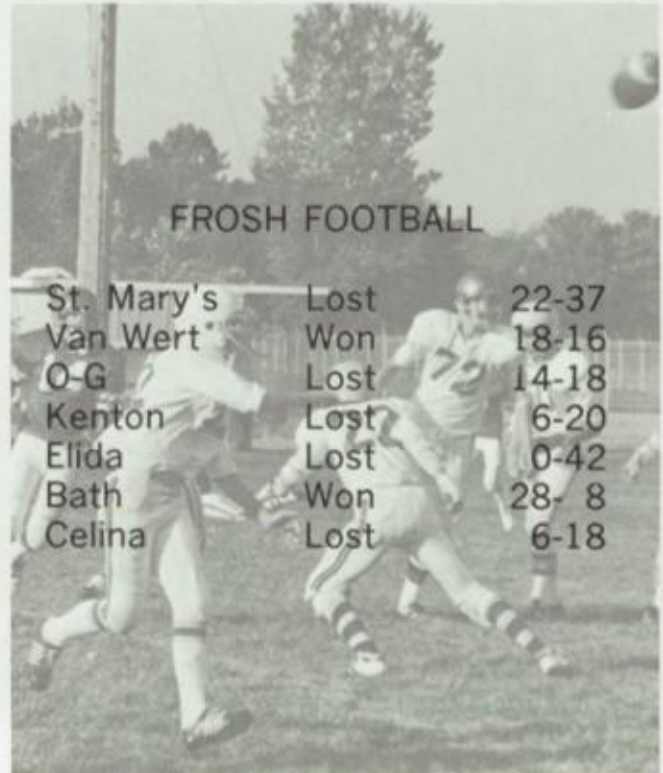

1) A Kenton ball carrier heads downfield as a swarm of Blue Jay tacklers close in. 2) Coach **Huysman** displays the disappointment which is also a part of the game. 3) Fine blocking, frees a Blue Jay runner for a score. 4) 1978 Freshman footballers included: (Row 1) mgr. **Todd Markward**, **Gerard Recker**, **Jan Osting**, **Dan Wrasman**, **Dave Pohlman**, **Tony Davis**, mgr. **Carl Picker**. Reserve wrestling is not categorized as a team win/loss record. Reserve wrestling is a procedure through which a wrestler may eventually step into Varsity positions. Reserve wrestlers are individually scored and team scoring is eliminated because not all team members wrestle every match.

Our wrestling team this year

started out somewhat inexperienced losing to more experienced teams; however, toward the end of the season the reserve team, using much more mature wrestling skills, easily overcame their opposition.

A finale to the reserve wrestlers came when, as a team, they took 5th place at the Indian Lake Tournament.

During up and down streaks in momentum, the Blue Jay basketball squad fought to an overall 15-7 record for the 1979 campaign. This included a trip to the District Finals and a 6-3 W.B.L. record, good for 3rd place overall.

The team opened the season with six consecutive wins, but then proceeded to drop four successive games by a total of 12 points combined. This was followed by another winning streak, of five games. Among the victories recorded during the

year were conquests of W.B.L. frontrunners Wapak and Celina, Celina's loss being their only blemish in regular season play.

Seniors **John Miller** and **Tim Kroeger** also set new season and single game records during the year. **John** handed out a seasonal record 162 assists, while **Tim** collected a single game high 28 rebounds in the season opener against Delta.

Good balance was a trademark of this year's team, as four players sported double figure scoring averages. Leading the way was **John Miller** at 15.1 p.p.g., followed by **Tim Kroeger** at 14.8, **Dan Hale** at 14.3, and **Wayne Morris** with an 11.0.

Rounding out the year's roundball activity was the selection of **Tim Kroeger** and **John Miller** to the W.B.L. first team, as well as the District 8 all-star game.

1) Walkers enter their place of destiny, Elida Gymnasium. 2) **Dan Hale** plays tough defense on a LCC cager. 3) **Tim Kroeger** refuses to give up the ball. 4) Cheerleaders announce the arrival of the Jays. 5) **Jay Patton** stretches for the ball as **Jeff Mueller** anticipates the action.

Enthusiasm Sparks Reserves

Utilizing a hustling team style of play, the Reserve Roundballers roared to a 12-6 record during 1978-79 action.

Included in this record was a 7-2 W.B.L. mark, good for a 2nd place finish.

Excitement was the name of the game during reserve action this year, as the outcome often hung in the balance to the final seconds. The largest point spread encountered in defeat was 9 points to the Wildcats of Newark.

This excitement coupled with some outstanding individual play foreshadows years of future hardcourt enjoyment for Blue Jay fans and faithful.

Roundballers Break District Jinx

The Blue Jays advanced to the '79 District Finals before biting the dust at the hands of the Archbold Bluestreaks, an eventual state-semifinalist.

The Jays gained tourney victories over Bath and Elida in the Sectionals and the O.G. Titans in the District opener, before the Archbold defeat ended a 15-7 season for the Jays.

The victory over O.G. snapped a string of two consecutive state tourney appearances for the Titans and avenged an early "Blue Chicken" incident.

The girls breezed through the season without a single blemish on their mark of 18-0 for the third year in a row. The honors were numerous, one which was **Deb Elwer's** being named U.P.I. Player of the Year for the second consecutive year and also named Converse All-American. Many of the other girls received honors but there are just too many to name them all. As the Tournament began everybody's hopes kept getting higher and higher hoping for a 3rd straight trip to Columbus and even a 2nd State Championship. The dream was soon reality as everybody jumped with jubilation not registering it as really being true. They defeated Columbus Hartley in the finals in which was said to be the best high school girls game ever played in St. John Arena. Reserves Suffer First Defeat In 4 Years

The St. John's reserve team once again swept through their opponents with the exception of Findlay. The loss was the first one for the reserve squad in 4 year's. During this time they compiled a tremendous 60-1 record. Though Findlay defeated the Jays won over the Trojans earlier in the year by 15 points. I'm sure with the talent the reserves exhibited this year that they are ready for the future.

1) **Coach Kramer** gives advice to the team during a time out. 2) **Ann Metzner** releases a shot, while **Sandy Shumaker** gets in position for a rebound. 3) Members of the 1978-1979 Reserve Girls' Basketball team were: (Seated) **Cheri Gable, Diane Wilhelm, Ann Metzner, Sue Youngpeter, Sandy Shumaker, Patty Adams, Tina Burgei, Diane Ebbeskotte**; (Standing) **Carla Wessel, Mary Lee Lause, Lana McGue, Kay Youngpeter, Coach Jean Kramer, Carla Rupert, Elaine Wilhelm, Nancy Honigford** and Mgr. **Cindy Reindel**. 4) **Tina Burgei** boxes out her opponent while **Carla Rupert** shoots for two.

Oregon Cardinal Stritch		Won 56-42

1) **Deb Elwer** follows through on one of her radar sharp 20-footers during the Regional final contest with Cardinal Stritch at Bowling Green, which earned the Jays a trip to the State Tournament in Columbus. 2) **Linda Rabe** muscles in an inside shot in the 64-33 Regional semifinal victory over Lexington. Seniors, and three year standouts, **Jeanne Arnzen** 3), **Deb Elwer** 4), **Laura "Cork" Grothouse** 5), and **Sue Youngpeter** 6), claim a piece of the net after their 56-42 Regional conquest of Cardinal Stritch, which enabled them to advance to their third consecutive State Tournament.

The girls moved successfully through 6 post seasonal tournament games on their way to the State Tournament this year. The only major obstacle encountered by the girls were the District final games versus Bath and the Regional Final against Cardinal Stritch. The Bath victory margin of 16 and the Stritch margin of 14 being the smallest point spread the girls had met on the year, up until that point.

Girls Advance To State Third Consecutive Year

1) The reward for their years of dedication shows on the faces of the 1979 Ohio Class AA Girls Basketball Championship Team, 57-53 victors over Columbus Hartley. Team members include: (Row 1) **Patty Adams, Sue Youngpeter, Deb Elwer, Jeanne Arnze, Laura "Cork" Grothouse, Janet Ebbeskotte, Janice Lucke, and Diane Wilhelm.** (Row 2) **Ann Metzner, Linda Rabe, Kelly Clark, Sandy Shumaker, Tr. Anne Bertling, Sue "Suz" Youngpeter, Judy "Stretch" Wegesin, Marcia Wagner, Tr. Cindy Reindel, and Mgr. Deb Wiechart.** (Row 3) **Asst. Coach Jean Kramer, Head Coach Fran Voll.** 2) The four Bluejay captains, **Deb Elwer, Sue Youngpeter, Jeanne Arnzen, and "Cork" Grothouse,** pause to pose with their State Championship Trophy and let the magic of the moment sink in. 3) Team members and Cheerleaders embrace as a dream becomes a reality. 4) The faces tell the story, as the Hartley fans watch **Jeanne Arnzen** sink a crucial free throw, which aided the Jays in nursing a narrow 47-42 advantage during the final period of the title game.

State Champs

For the second time in three years the girls journeyed to Columbus and conquered all, capturing the girl's Class AA State title by virtue of a 70-35 victory over Chagrin Falls in the semifinals and a thrilling 57-53 conquest of Columbus Bishop Hartley in the finals.

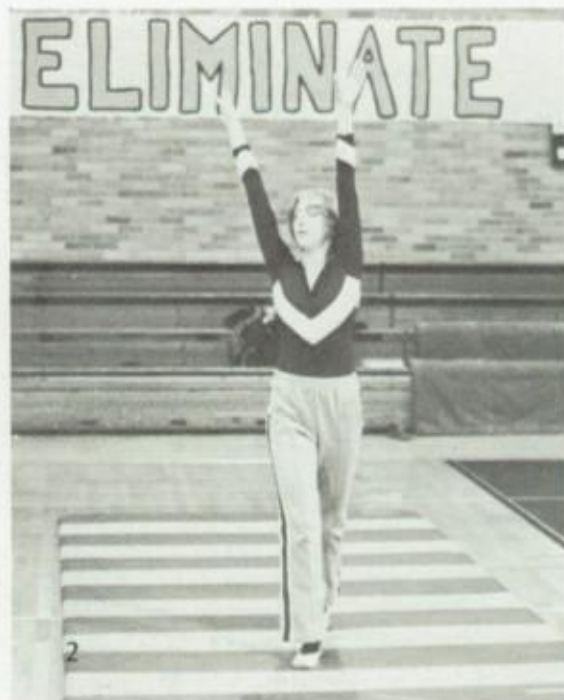

All of us can look with pride on this fine group of girls

who dared to make their dream reality and captured the imagination of all of us along the way. Thanks for all the memories girls, and good luck in the future.

1) The State Championship trophy and the game ball stand big on the floor at St. John Arena. 2) Everybody was reminded in the gymnasium who was the State Champs. 3) **Ron Mesker** tries to really whoop up the crowd. 4) At

the welcome home ceremony, **Deb Elwer** tries to get through her speech, in which she did with a little assistance from **Coach Voll**. 5) The team warms up during pre-game before conquering the impossible. 6) The five seniors, **Sue, Cork, Deb, Jeanne** and **Judy** stand for the standing ovation they received for their outstanding work.

Once Again!

1) **Chris Wittler** concentrates on her next move while performing on the balance beam. 2) **Gina Humpert** shows her style in this floor exercise performance. 3) Confidence shows on the face of **Maria Holdgreve** as she sets to begin the floor exercise. 4) **Lisa McGue** spins gracefully through a floor exercise performance. 5) Those participating in gymnastics this year were (front row center) standing; **Sue Wiechart**, kneeling; **Sue Mills**, **Kathy Geier**, **Denise Lucke**, **Gina Humpert**, and standing; **Janet Shenk**. (second row center) mgr. **Nancy Suever**, Coach **Jan Stover**, and mgr. **Sher-**

ry Hilvers. (third row center) **Sue Niemi**, **Shirley Schnipke**, **Nancy Bergfeld**, and **Jane Hemker**. (Left side, front to back) **Chris Wittler**, **Lisa McGue**, **Janet Menke**, **Maria Holdgreve**, **Patty Schulte**, **Janine Fisher**, and **Gina Kill**. (Right side, front to back) **Donna Noonan**, **Elaine Ardner**, **Linda Warniment**, **Deanne Kroeger**, **Linda Shumaker**, **Laura Nartker**, and **Lisa Rode**. 6) **Shirley Schnipke's** a picture of determination as she flies toward the vaulting horse while **Gina Kill** and **Lisa Rode** look on. 7) Moving delicately along the balance beam, **Sue Mills** moves through her routine. 8) **Shirley Schnipke** receives her second place medal at Districts.

Hard work and practice lead to the best season ever for the gymnastics team. With higher individual scores, the team scores were up an average of 33 points over last years meets. The top three averages on the floor exercises were **Patty Schulte** (8.0), **Shirley Schnipke** (7.61), and **Lisa Rode** (7.36). On Beginner bars **Lisa Rode** placed 12th. On Intermediate floor **Chris Wittler** took 15th, **Patty**

1) The 1978-79 Baseball team consisted of: (Row 1) Mgr. **Dave Geise**, **Scott Kill**, **Bob Niedecken**, **K.C. Looser**, **Nick Link**, **Greg Swick**, **Jeff Noonan**, **Dan Wannemacher**, and Mgr. **Bill Hoffman**. (Row 2) **Coach Don Huysman**, Stat. **Beth Wannemacher**, **Scott Grothouse**, **Wayne Morris**, **Roy Donaldson**, **Jim Kimmett**, **Jeff Mueller**, **Tim Altman**, Stat. **Jane Thithoff**, and **Coach Rod Moorman**. 2) **Dan Wannemacher**, listens to helpful advice given by **Coach Huysman**. 3) **Wayne Morris** sets himself ready for action. 4) **Roy Donaldson** crouches low in anticipation of the pitch.

Despite getting off to a slow start, being rained out of 9 out of 11 games, the Baseball team had a strong finish. They compiled an 11-4-1 overall record and an 8-1 record in the WBL. Their wins in the league gave them their second Cham-

pionship Crown in 2 years. This year with sole possession. The high point of the year was the team's advancing to the District Tournament, the farthest any SJH Baseball team has gone.

On the first team WBL, were Seniors Wayne Morris, Gig Kimmett and Sophomore Dan Wannemacher. Catcher Bucky Donaldson received Honorable Mention notice.

Prospects still look bright for next year even with the loss of 4 good Seniors. The First place finish helped put the Jays in second place for the All Sports Trophy. Losing to Celina by $\frac{1}{4}$ point.

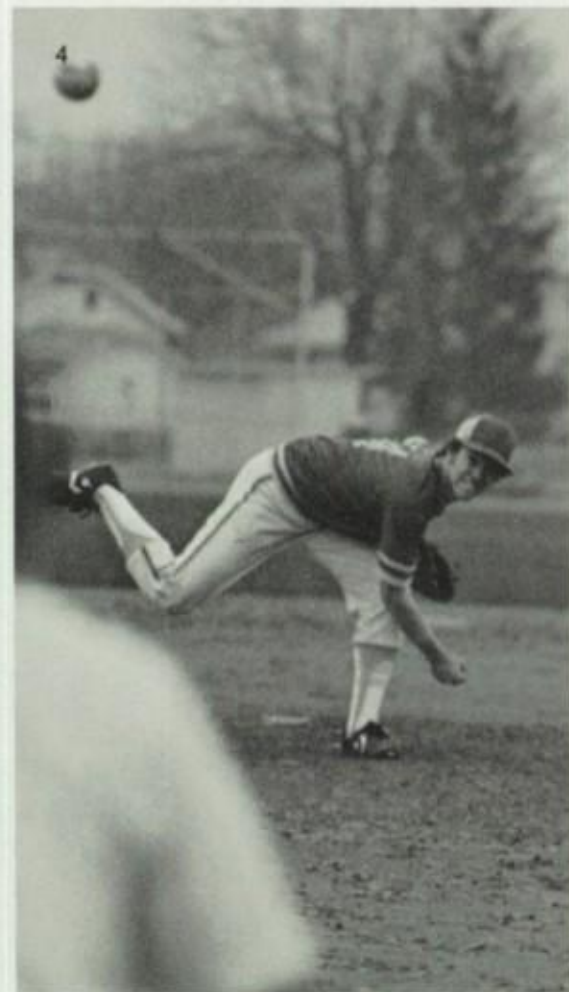

1) Roy Donaldson and Dan Wannemacher figure out how to get the Titans out. 2) It looks like Wayne Morris is ready for the pitch. 3) Beth Wannemacher and Sherryl Wiechart keep track of what's going on. 4) Dan Wannemacher releases pitch in hope of good outcome.

Reserves Show Many Bright Moments

1) Members of the Reserve squad were: (Row 1) **Mike Vonderwell, Tom Etgen, Ed Metzger, Jim Warnecke, Mark Humpert, Dave Burnett, Dave Mace, Craig Looser, and Doug Noonan.** (Row 2) Mgr. **Ken Kleman, Doug Ruen, Tom Fisher, Joe Shumaker, Charlie Fisher, Keith Hilvers, Greg Grilliot, Tom Seffernick, Ken Utrup, Mgr. Tennis Anyone? An over-used cliché to say the least, but one very applicable to this year's varsity tennis squad. The netters backed down from no one during the past campaign, taking on all comers to the tune of an 11-5 record. A record forged through head to head combat with the best of them. The five defeats suffered being to teams with a combined record of 60-8. All things considered the campaign has to stand out as truly outstanding in the history of the tennis program at St. John's. Ranking right up among the better efforts put together by a St. John's team.

Included in that 11-5 record was an 8-1 W.B.L. mark, good enough for second place in the league. While the doubles team of **John**

Miller and **Reed Clark** reached the district quarterfinals before succumbing to eventual State Tourney competitors Tim Bruin and John Kresser from L.C.C. In team tourney action the Jays captured their first ever victory, victimizing Toledo Whitmer, the largest team in the district, before losing to a tough Ashland contingent.

Those seniors who rounded out their tennis careers at St. John's as members of this fine team were **John Miller, Gregg Kundert, and Dan Hale**. While those varsity members who will be returning to continue the program are **Reed Clark, Jay Patton, Phil Kortokrax, Ted Suever, Dennis Ostendorf, Andy Mager, Ray Brickner, and Greg Schlagbaum**.

1) **Dan Hale** and **Phil Kortokrax** prepare themselves to return the ball. 2) **Ted Suever** protects himself from a flying ball. 3) Dead aim is taken by **Reed Clark**. 4) **Andy Mager** is ready and willing to stroke the ball back to his opponent.

This year's Girl's Track Team had an excellent season with a record of 8-3, which is a record similar to the one set last year. The team was led by Seniors Sue Youngpeter, Denise Sisinger, Laurie McGue, Nancy Ebbeskotte, Peggy Musser, Char Steman, and Mary Kay Pohlman, and the fine coaching of Jean Kramer and Dan Hopkins. They ran their way to a first place finish at the Shawnee Relays. In the W.B.L. Tournament the Jays finished second which brought 9 points to the all sports trophy. The Medley Relay Team of Mary Kay Pohlman, Shellie Kundert, Linda Rabe, Patty Adams, and Alt. Laurie McGue came away with a

9th place finish at State competition in Columbus. There are many strong underclassmen coming back which should put another star along side track at Delphos St. John's.

Darlene Hirn, Cheryl Wellman. 2) **Janice Lucke** seems to show that she will settle for no less than 16 feet is her long jump. 3) **Patty Adams** looks as though she has this bar cleared easily. 4) **Sue Youngpeter** does her best to get **Patty Adams** ahead in the mile relay. 5) **Denise Sisinger** has better things to do with her water than drink it.

What Is Meant To Be

No more tears shall be shed
from these eyes,
Because I know that it is
Useless to cry.
For once I can remember and
Not feel any pain,
And once I start living,
I'll be happy again.

I am afraid, yet I know
I must go on,
And my happiness will
Not always be gone.
For I know that I have a whole
Life ahead of me,
And I know I have to accept what
Is meant to be.

Years At School

For them,
We leave behind
A token of ourselves ...
Names engraved upon desks,
Scribbles on the wall,
Or maybe only memories,
for that was all
We'd part with at the time.

In Everything We Did!!!!

The theme of this year's Crest has been — "WE PUT A LITTLE BLUE JAY IN EVERYTHING WE DO". Throughout the year, there have been many great examples of the Pride, Determination, Spirit, Class and Hard Work that goes into being a Blue Jay. Of these, there stands out a group of individuals who have shown us just what it means to be a real Blue Jay.

Jeanne Arnzen, Deb Elwer, Sue Youngpeter and Cork Grothouse have affected us more than we might realize. They have done more for Girls' Basketball in the past 4 years than can be written. They have shown us that it takes hard work and perseverance to be the best in whatever we do.

Over the past 3 years, they have been to Columbus 3 times and

won the title twice. They could have given up after their loss in the semi-finals in '78, but they wanted to show people that that loss was a fluke.

Over the last 3 years, these girls have not been the whole team. They have had many good leaders in past Seniors. And a super bench when they needed it.

But they have been to the mountain 3 times and it is for this reason that we feel they fit our theme the best. They have given us good examples of what it takes to be a good athlete, student, friend, daughter and person. Hopefully, many lives will be or have been influenced by what they have shown us. They will be missed. But there will be others to fill their shoes, not all at one time but there will be others.

To these 4, the members of the Volleyball team, the Girls' Basketball team, the Baseball team (3 WBL Champs), the 880 Medley relay team that went to State, the Boys' Basketball team that made it to the District Finals, all of those people who made a 4 point some time during the year, those people who gained some recognition for their academic ability, those people who supported the school with their tremendous spirit, Sr. Ladonna and her 50 years of being a nun, and those teachers who showed us what it takes to be a good human being and an understanding person, WE DEDICATE THIS BOOK. Not necessarily to the individual person, but for the fine characteristics that they stand for. And for all the things that they have done to make the Blue Jays #1.

As it always happens, another year has gone by. There will never be another quite like our 1978-1979 school year. Good friends have been made and with the help of this year's Crest, there is hope that they may never be forgotten.

To Mr. Adams and the office staff, you are an important part to the success of this book. Thank you for your help and support.

Another thanks goes to Josten's American Yearbook Company and to Sid Rodeheffer, our representative, who somehow kept us heading in the right direction.

To the student body, thank you for being you and for being there. Without you we would have a book of blank pages.

So much work by the Yearbook staff has gone into the building of this book. I would like to thank every one of you for your hard work, cooperation, and your friendship. Those are the things that have made this Crest what it is.

The Yearbook staff is not the only group that worked toward a nicely designed and interesting book. We would like to give a special thank you to Cork Grothouse, the winner of our "Design the Bluejay for our Cover" contest, and to Debbie Attan from Texas and Kim Bidorini of Pennsylvania, whose poems were used throughout the book.

Last, but hardly least, the biggest and most sincere thanks goes to Mr. Craig McRedmond, the advisor of the 1978-1979 Yearbook class. Anyone who knows anything about this year's class knows that Mr. McRedmond went above and far beyond the call of an advisor. We appreciate your dedication more than you will ever know. You set a good example for all of us to follow long after our school years are over. You've helped us learn so many things, not just how to put a good book together. There are not words enough to thank you for that.

To next year's staff, GO FOR IT!!!

1978-1979 Yearbook Editor
